Summary

Creality 2 40W Laser Cutter/Engraver so the airpump and its hoses bare neatly tucked away

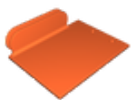

[3D Printers](#) > [Creality Parts & Upgrades](#)

Tags: [airpump](#) [airpumpholder](#)

Easy to print. Attaches to existing holes in the lasers frame. You just need to supply 4 of 6mm by 10mm screws.

One part is used as a platform for the airpump and the other to spool the air hose.
